

TEOYUBE is an AI-powered Biblical Promise Discovery Ecosystem founded on the conviction that believers are called to understand, personalize, pray, remember, and live God's promises in order to discover and fulfill their God-given calling.

The platform is inspired by Ephesians 1:18, where "The eyes of your understanding being enlightened" forms the foundation of the Teoyube concept.

Primary Outcome:

After using Teoyube consistently for one year, the user should have the eyes of their understanding enlightened, know the hope of their calling, understand the riches of their inheritance in Christ, discover their God-given gifts and talents, walk confidently in their divine purpose, and be empowered to do all things through Christ who strengthens them.
