

TEOYUBE PHASE 2 — THEOLOGY FRAMEWORK, CORE VOCABULARY & TEOYUBESEARCH SYSTEM

1. TeoyubeSearch Purpose

TeoyubeSearch is the spiritual search engine of the platform.

It allows Saints to search by:

- Promise
- Scripture
- Life Problem
- Calling
- Prayer
- Teoyube Word
- Testimony

Its purpose is not only to return Bible verses, but to guide the Saint from:

Search → Promise → Meaning → Prayer → Teoyube Word → Assignment → Book of the Saint

2. TeoyubeSearch Input Types

A. Promise Search

Example:

“Promises about protection”

Output:

- Protection Promise Cluster
- Scripture references
- Prayer
- Teoyube word
- Assignment

B. Scripture Search

Example:

“Ephesians 1:18”

Output:

- Verse
- Meaning
- Promise category
- Calling connection
- Teoyube word
- Animation concept

C. Life Problem Search

Example:

"I lost my job"

Output:

- Career calling insight
- Provision promises
- Wisdom promises
- Prayer
- Action assignment

D. Calling Search

Example:

"I feel called to teach"

Output:

- Teaching archetypes
- Calling scriptures
- Divine assignment
- Calling Compass update

E. Prayer Search

Example:

"Prayer for direction"

Output:

- Scripture-based prayer
- Promise references
- Teoyube word
- declaration

F. Teoyube Word Search

Example:

“TEOYUBE”

Output:

- Meaning
- Pronunciation
- Scripture origin
- Prayer use
- Related promises

G. Testimony Search

Example:

“Answered prayer about healing”

Output:

- User testimonies
- Related promises
- Book of the Saint entries

3. Promise Interpretation Rules

Teoyube uses an $A \rightarrow B \rightarrow C$ hierarchy.

Level A — Direct Promise

A clear biblical promise applicable to believers.

Confidence:

Highest

Language:

“This is a direct biblical promise.”

Level B — Promise Principle

A biblical account, pattern, or principle that reveals God’s character and ways.

Language:

“This biblical passage reveals a principle that may apply to your situation.”

Level C — Personalized Application

A scripture-based application generated from the Saint’s profile, calling, and situation.

Language:

“Based on Scripture and your profile, this may guide your next step.”

4. Promise Classification System

Every promise should be classified under one or more categories.

1. Identity Promises

Who the Saint is in Christ.

Examples:

- New Creation
- Child of God
- Redeemed
- Chosen
- Beloved

2. Calling Promises

Purpose, gifts, and assignment.

Examples:

- Calling
- Guidance
- Wisdom
- Service
- Leadership

3. Presence Promises

God’s nearness.

Examples:

- Comfort

- Peace
- Never forsaken
- Fellowship

4. Protection Promises

God's covering and deliverance.

Examples:

- Refuge
- Safety
- Preservation
- Escape

5. Provision Promises

God's supply.

Examples:

- Daily needs
- Open doors
- Resources
- Favor

6. Healing Promises

Restoration and renewal.

Examples:

- Healing
- Strength
- Recovery
- Renewal

7. Wisdom Promises

Guidance and discernment.

Examples:

- Understanding
- Counsel
- Direction
- Insight

8. Transformation Promises

Becoming new.

Examples:

- Renewal
- Sanctification
- Freedom
- Growth

9. Kingdom Promises

Mission and impact.

Examples:

- Evangelism
- Discipleship
- Fruitfulness
- Witness

10. Inheritance Promises

Eternal and spiritual inheritance.

Examples:

- Eternal life
- Glory
- Reward
- Kingdom inheritance

5. TeoyubeSearch Result Format

Every search result should return:

1. Search Intent
2. Promise Category
3. Scripture References
4. Promise Level: A, B, or C
5. Short Explanation
6. Calling Connection
7. Teoyube Word
8. Pronunciation
9. Meaning
10. Scripture-Based Prayer
11. Daily Divine Assignment

12. Animation / Storyboard Prompt
 13. Save to Book of the Saint button
 14. Watch Promise Animation button
 15. Add to Promise Table button
-

6. TeoyubeSearch UI Model

Reuse the old project structure:

- Nav → Teoyube Promises
- Jumbotron → Promise Search entrance
- Input → Search box
- Button → Search action
- List item → Promise result card
- Thumbnail → Promise animation preview
- Watch Video → Watch Promise Animation

Updated interface wording:

Search placeholder:

“Search your situation, promise, scripture, prayer, calling, or Teoyube word...”

Buttons:

- Search Promise
 - Generate Prayer
 - Watch Animation
 - Save to Book
 - Add to Promise Table
-

Theme: Glory

8. Teoyube Lexicon Entry Template

Each word should include:

- Word
- Pronunciation
- Meaning
- Category
- Scripture Source
- Promise Category
- Prayer Use
- Related Words
- Animation Symbol
- Book of the Saint Usage

Example:

Word: TEOYUBE

Pronunciation: Tee-Oh-You-Bay

Meaning: The eyes of understanding being enlightened

Category: Revelation

Scripture: Ephesians 1:18

Prayer Use: Used when praying for purpose, insight, calling, and inheritance.

Animation Symbol: Eyes opening with golden light.

Book Usage: Marks awakening moments.

9. TeoyubeSearch Example

User searches:

"I feel confused about my purpose."

Search Intent:

Life Problem + Calling

Promise Category:

Calling / Wisdom / Revelation

Scripture References:

- Ephesians 1:18
- James 1:5
- Proverbs 3:5-6
- Isaiah 30:21

Promise Level:

A + B + C

Teoyube Word:

WISDORA

Pronunciation:

Wis-Doh-Rah

Meaning:

Wisdom and direction from God.

Prayer:

Father, enlighten my understanding, guide my path, give me wisdom, and help me recognize the hope of my calling.

Daily Divine Assignment:

Write down three gifts, three burdens, and one step you can take today toward your calling.

Animation Prompt:

A Saint stands at a dark crossroads. Scripture light descends from heaven, revealing a path. The word WISDORA appears as the road becomes illuminated.

Actions:

- Watch Promise Animation
- Save to Book of the Saint

- Add to Promise Table
 - Generate Prayer
 - Start 30-Day Calling Path
-

10. TeoyubeSearch Component Prompt

Create a React component called TeoyubeSearch.

It must include:

- Search input
- Search button
- Search category filter
- Loading state
- Results list
- Promise result cards
- Animation thumbnail
- Scripture references
- Teoyube word
- Prayer preview
- Action buttons

Search categories:

- All
- Promise
- Scripture
- Life Problem
- Calling
- Prayer
- Teoyube Word
- Testimony

Each result card must show:

- Title
- Promise category
- Scripture references
- Short explanation
- Teoyube word
- Meaning
- Prayer preview
- Watch Promise Animation button
- Save to Book button
- Add to Promise Table button

The component should preserve the simplicity of the old project's Input, Button, Grid, Jumbotron, Nav, and list-item structure, while upgrading the content model from recipe/video search into biblical promise discovery.
